

**PHPM 631 Review**  
**Due date: Submit on E-Campus by 11:59pm Sunday 4/8**

**Submission.** Submit on E-Campus. See Requirements Section Below for details

- **Part 1:** 20 questions (multiple choice, T/F, short answer)
- **Part 2:** Notes to use during midterm. No limit on pages. Submit on E-campus.

**Late Assignments:** Given that this assignment is a review for the class midterm, no late submissions will be accepted.

**Guideline for assignment grading (1%)**

- 70% (70 points): Bad (√ --) Did NOT follow all instructions
- 80% (80 points): Reasonable (√ -) Followed all instructions
- 90% (90 points): Good (√ ) Followed all instructions, and did good work
- 100% (100 points): Great (√ +) Followed all instructions and did great work

**Objective**

By the end of this assignment, you should be able to

- Summarize the gestalt of the lecture, readings, and assignments into notes to use in the in-class midterm as well as into multiple choice, T/F, and short answer questions

**Review**

**Part 1: Writing 20 Questions**

One of the best ways to move your understanding of a topic to the next level and more concrete understanding is to write good questions about the topic. Submit 20 questions as specified below

- In total, 20 questions that cover the scope of the midterm as specified below
- Question format
  - Multiple choice: At least ten
  - True/False : At least two and no more than five
  - Short Answer: At least two and no more than five

**Part 2: Summarized Notes**

The midterm will be as follows:

- Open book and open notes: You may only use the textbook, lectures notes on the class website, and your own notes from this assignment (These MUST be YOUR OWN NOTES. That is you typed them up.)
- Timed: It is expected that you will run out of time, if not properly prepared with your own notes
- In class exam
- In the computer lab

**Midterm**

- In class in the computer lab (or on laptop) on E-Campus, closed book EXCEPT PRINTED notes from this assignment.
- Scope of the midterm: Most of the exam will be from
  - The assigned readings from the textbook and articles
  - Assignments
  - Posted slides from class
  - Guest lectures
